**RESPONSE TO NOTIFICATION**

(Regarding an Application which has been *Made Special*)

Honorable Commissioner for Patents:

In response to the Notification of Non-Compliant Appeal Brief mailed August 21, 2006, the undersigned respectfully asks Primary Examiner Philip Tran for clarification, or else for acceptance of the Supplemental Appeal Brief.

The Supplemental Appeal Brief filed May 17, 2006 in response to the first Notification of Non-Compliant Appeal Brief does include detailed references to the specification by page and line number, and to the drawings by reference characters, in clear correspondence with each claimed limitation of the

independent claims. The Board should have no trouble handling this appeal on the basis of the explanation of claimed subject matter that is already of record.

Accordingly, the undersigned respectfully asks Examiner Tran for a specific example of an explanation of claimed subject matter that would not result in further refusal by Examiner Tran to move this appeal forward. Given such a specific example, the undersigned may be able to make changes in the Appeal Brief that are both appropriate and satisfactory to the Examiner.

This case has been granted accelerated examination status. Accordingly, if no such specific example is forthcoming from Examiner Tran within one month of this Response, or if Examiner Tran refuses to provide such a specific example, then the undersigned intends to petition the Director under 37 CFR § 1.181 asking for (a) entry of the Supplemental Appeal Brief filed May 17, 2006, (b) a specific example of an acceptable explanation of claimed subject matter, and/or (c) such other relief as the Director deems appropriate.

Dated August 23, 2006.
